

## Contributors to Medical Genetics in Newfoundland and Labrador include:

Penny Allderdice  
 John Bear  
 Peter Bridge  
 Sharon Buehler  
 Janet Cox  
 Marian Crowley  
 Fiona Curtis  
 William Davidson  
 Bridget Fernandez  
 Maxine Frecker  
 Jane Green  
 Roger Green

John Edwards  
 Bill Fitzgerald  
 Clark Fraser  
 George Fraser  
 Fei-Yu Han  
 Kathy Hodgkinson  
 Elizabeth Ives  
 Gordon Johnson  
 Liz Kernaghan  
 Kara Laing  
 Bodil Larsen

Ivy Lewis  
 Marion Lewis  
 W.D. MacDiarmid  
 David MacGregor  
 Sara MacKay  
 Andree MacMillan  
 Bill Marshall  
 Patsy Matthews  
 Sue Moore  
 Elizabeth O'Leary  
 Chitra Prasad  
 Marilyn Preus

William Pryce-Phillips  
 Proton Rahman  
 Des Robb  
 Ted Rosales  
 Guang Sun  
 Lesley Turner  
 Hilary Vavasour  
 Mary Connolly Wilson  
 Michael Woods  
 Terry-Lynn Young  
 Banfield Younusband  
 Yagang Xie

In addition to the individuals listed above, it is recognized that the contributions of all research genetics staff, molecular genetics/health care staff and cytogenetics staff are critical to the progress of medical genetics in Newfoundland and Labrador
