Title: Founders' Archive Oral History Project Summer 2000 *fonds*
Dates: 2000-2003
Extent: 20 audio cassettes (ca. 23 hrs. 30 min.)

Administrative history:

This oral history project resulted from a Young Canada Works Grant in Heritage Institutions awarded to the Faculty of Medicine Founders' Archive. Two students were hired to arrange, conduct and transcribe interviews with individuals who were involved in the early days of the Medical School at Memorial University of Newfoundland, Canada. The project lasted for 11 weeks with 11 interviews conducted and transcribed and placed in the holdings of the Founders' Archive. The archive, in the spirit of this project, has conducted further interviews in 2002 and 2003.

Scope and content:

Fonds is composed of 15 interviews and 20 audiocassettes containing these interviews. The collection consists of the following interviews:
