Custodial History:

The contents of this *fonds* were in the care of Dr. Nigel Rusted's family. The diaries (1925-2012), x-ray reports, laboratory reports, pathology reports, alphabetical patient files, correspondence, photographs and medical slides were donated by Elaine Hyde, Joan Rusted and Tom Rusted of the Rusted family to the Faculty of Medicine Founders' Archive in 2013. Published materials removed and transferred to Centre for Newfoundland Studies, Memorial Libraries (2018).

Restrictions:

Some material in the *fonds* is restricted. The diaries (series 1.01 - 1.02) will become accessible in mid-2019. The diaries will be available to access for any researcher. Copyright laws and regulations may apply to all or to parts of this collection. All patrons should be aware that copyright regulations state that any copy of archival material is to be used solely for the purpose of research or private study. Any use of the copy for any other purpose may require the authorization of the copyright owner. It is the patron's responsibility to obtain such authorization.

Biography or History:

Nigel Francis Scarth Rusted (1907-2012) was born at Salvage, Newfoundland and Labrador on 1 July 1907 to Reverend Canon Ernest Rusted and Faith Hollands Rusted. Dr. Rusted grew up in Upper Island Cove, Newfoundland and Labrador. Dr. Rusted had five siblings: Winnifred, Sybil, Joan, Edward and Ian (1921-2007). His brother, Ian is credited as being the founder of the Medical School at Memorial University of Newfoundland in St. John's, 1967. Dr. Rusted married Florence Haig Anderson (died 2007) in 1944 and they had three children: Tom, Elaine and Joan (1946-2018). Dr. Rusted had 3 grandchildren and four great-grandchildren. Dr. Rusted died on 18 March 2012 and is buried in the Anglican Cemetery on Forest Road in St. John's, Newfoundland and Labrador.

Dr. Rusted attended high school (Feild College) and post-secondary education in St. John's, Newfoundland and Labrador. He was in the inaugural class of Memorial University College (1925), graduating in 1927, with a diploma in arts and science. Dr. Rusted earned his medical degree from Dalhousie University in Halifax, Nova Scotia, graduating in 1933. From 1935-36, Dr. Rusted served as the first medical officer aboard the M.V. Lady Anderson. He provided medical care along Newfoundland's southwest coast. Prior to setting sail on the M.V. Lady Anderson, Dr. Rusted worked as: a minerals prospector on a summer vacation in 1935; Health Officer on the S.S. Kyle along the coast of Labrador for 2 years, a house officer (intern) at the Kentville Sanatorium in Nova Scotia; the Aberdeen Hospital in New Glasgow, Nova Scotia; the Victoria General Hospital in Halifax, Nova Scotia and a resident at the General Hospital in St. John's, Newfoundland and Labrador from 1933-35.

Dr. Rusted opened a private practice in St. John's, Newfoundland and Labrador in 1936 and was also appointed junior surgeon at the General Hospital that same year. From 1954 - 1968, he served as chief surgeon at the General Hospital and also served as medical director, chief of staff and chief surgeon for the Grace General Hospital. In 1966, he began serving as senior consultant for all four hospitals in St. John's, Newfoundland and Labrador: St. John's General Hospital, St. Clare's Mercy Hospital, Grace General Hospital, and the Janeway Child Health Centre.

Dr. Rusted retired from performing surgery in 1982 and retired from clinical practice in 1987. He performed more than 9,000 surgeries during his career and was the first to perform several types of operations in the province, including partial gastrectomy, pedicle graft from abdomen to neck, adrenalectomy, and cleft lip and cleft palate repair. He was well-known for his cleft lip and cleft palate repair surgeries, performing 560 reconstructive surgeries over the course of his medical career.

After retirement from surgery and clinical practice, Dr. Rusted studied celestial navigation and ham radio. He also was a philatelist. He even renewed his driver's license at the age of 102.

Dr. Rusted maintained record of all surgeries he performed throughout his career. He also wrote daily in a diary from 1925, up until his death in 2012. He fell ill a few months before his passing, and while hospitalized prior to his death, a family member would write in his diary for him. These diaries, spanning 88 years, are a unique resource.

Dr. Rusted received numerous honors over his lifetime, including: Fellow of the American College of Physicians and Surgeons (1950); Fellow of the International College of Surgeons, (1950); awarded the Honorary Degree of Doctor of Science from Memorial University of Newfoundland (1973); Senior Membership of the Canadian Medical Association (1974); the Nigel Rusted Lectureship on the History of Surgery founded in 1986 by the Discipline of Surgery, Faculty of Medicine at Memorial University of Newfoundland; the William B. Spaulding Certificate of Merit for his contribution to the history of medicine in Canada (1996) by Associated Medical Services in Toronto, Ontario; invested into the Order of Newfoundland and Labrador (2007); the Freedom of the City of St. John's in 2008 (key to the city); Life Membership of the Newfoundland and Labrador Medical Association (2010); the Order of Canada (2011) and the Canadian Version of the Queen Elizabeth II Diamond Jubilee Medal (2012). Dr. Rusted was also made a fellow of the Royal Society of Canada which allowed him to use the post nominal letters FRSC.

Arrangement:

When the material arrived at the Founders' Archive, there was some degree of order present. The Archival Assistant arranged contents into numbered series.

- Correspondence files organized alphabetically within each file according to patient's name.
- Dr. Rusted' original order retained for alphabetical patient filing.
- Correspondence titled pre-1954 were edited so that dates were included.
- In 1954, Dr. Rusted moved his practice from 272 Duckworth Street to 28 Monkstown Road in St. John's, Newfoundland and Labrador.
- Overall, the original order of materials retained by Dr. Rusted has been maintained.
- Credit Bureau memos precede Medical Care Plan (MCP) claim forms in series list. MCP was first introduced in 1969.

Archival Description:

6m of textual material, 1m of photographs (primarily black and white), medical slides and x-rays.

Notes:

Attachments were removed from diaries and organized by year in a new folder. Original placement in diary was noted.
