

Why Family Medicine at Memorial University?

Rural & Remote	<i>Rural Opportunities</i> Opportunities to train in rural and remote locations for extended periods of time – across Newfoundland and Labrador and in Nunavut	<i>Independence</i> Usually no other residents on service other than yourself, except when on academic family medicine	<i>Remote Opportunities</i> Extended time in the Arctic and Labrador with NunaFam and NorFam	<i>Apprenticeship style of learning</i> One-on-one with preceptor; more individualized teaching as opposed to being lost in the crowd in a larger center
Unique Learning	<i>Learning Flexibility</i> Choose to do either longitudinal OR block-based OR a combination of both	<i>Ultrasound certification</i> (if you want) <i>and the largest number of courses included in program in Canada</i>	<i>Tons of procedures</i> Reductions, splinting, I&D's, cardioverting, procedural sedation, airway management, running codes, etc.	<i>Flight medicine and transfer medicine experience!</i>
Perks	<i>Vibrant arts scene – culture, music, dance, film</i>	<i>Stunning landscape</i>	<i>Outdoor activities galore</i>	<i>4 weeks vacation per year + 1 week conference leave + sick days + family days</i>
Lifestyle	<i>Tight-knit group of residents</i>	<i>Friendly and welcoming Newfoundlanders</i>	<i>Integration into small rural communities, becoming part of the community</i>	<i>Exploring different parts of the Country (NB, NU, Lab)</i>
