**Medical Director**  
*Clinical Learning Simulation Centre (CLSC) (Internal Search)*

This is a 3-year term (renewable) position within the Faculty of Medicine.

Candidates for the position must be Certificants of the College of Family Physicians of Canada or Fellows of the Royal College of Physicians and Surgeons of Canada.

The Clinical Learning and Simulation Centre (CLSC) is a state-of-the-art clinical learning space which includes the Standardized Patient Program, the High Fidelity Simulation Unit, and the Surgical Skills Unit. The Medical Director will act as the lead clinical educator for the Centre and will collaborate with the other education leaders on academic and administrative matters as they pertain to the role of the Clinical Learning and Simulation Centre in medical education. The Medical Director will report to the Vice-Dean, Education and Faculty Affairs, Faculty of Medicine, Memorial University of Newfoundland.

The Medical Director will assist in the organization, promotion, and delivery of simulation based education programs within and outside the Faculty of Medicine in collaboration with the Faculty of Medicine’s academic programs (undergraduate, postgraduate and continuing professional development). Please refer to the job description for more details.

Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities, and racialized people; and people with disabilities.

Interested individuals should direct their inquiries and/or applications along with the names and email addresses of three references on or before October 14, 2020 to:

Joan Fillier, Secretary to the Vice Dean  
Dr. Cathy Vardy
