CALL FOR ABSTRACTS

The Medical Education Scholarship Centre invites you to submit an abstract for our fourth medical education scholarship forum. We welcome submissions from all faculty, staff, residents, and students at the Faculty of Medicine.

Submissions may focus on any aspect of undergraduate, postgraduate, graduate medical education, and/or continuing medical education/continuing professional development (CME/CPD).

Please indicate your preferred format – either a workshop (1.5 hours), poster, or 10-minute oral presentation. Your preferred format will be considered but cannot be guaranteed.

Abstracts should contain the following information:

- Full title
- Preferred format
- List of authors and affiliated disciplines/units
- Body of abstract (max 350 words)

- For workshops, please use the following headings:
  - Background/Rationale
  - Learning Objectives (What questions or points will participants learn or discuss?)
  - Teaching Methods (How will you meet the objectives?)

- For posters and oral presentations, please use the following headings:
  - Purpose
  - Methods
  - Results
  - Conclusions

- For accreditation purposes, all faculty/presenters are required to disclose any relationship with a commercial entity such as a pharmaceutical organization, medical device company, communications firm or other for-profit funder of this program. A conflict of interest is a situation in which the personal and professional interests of individuals may have actual, potential, or apparent influence over their judgment and actions. Disclosure forms will be provided and must be submitted to the program provider prior to the start of the program. Disclosure must be done verbally and displayed in writing at the beginning of a presentation or included in the written conference materials.

Please note that MESC cannot assume any costs associated with travel or presentations.

Abstracts will be published in an open access journal hosted by the Health Sciences Library – http://journals.library.mun.ca/ojs/index.php/MESFP/index

DEADLINE FOR SUBMISSIONS: March 14, 2017
